

## MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

May 28, 1953  
10:00 AM

Council Chamber, City Hall

The meeting was called to order with Mayor McAden presiding.

## Roll call:

Present: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Absent: None

Present also: W. E. Seaholm, City Manager; W. T. Williams, Jr., City Attorney; C. G. Levander, Director of Public Works.

Invocation was delivered by REV. C. L. BOWLES, St. Johnson Lutheran Church.

Councilman Long moved that the reading of the Minutes be dispensed with and the Minutes be approved as sent out. The motion, seconded by Councilman White, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

MR. JOHN ADAMS, Jr., Chamber of Commerce, Chairman of the Public Health Committee and the Clean-up, Paint-up, and Fix-up Committee, expressed appreciation to the City for the help it had given through the Administration Departments, the Public Works, Sanitation and Fire Departments. He expressed appreciation to the Council for its help.

MR. NEVILLE JOHNSTON, along with Mr. M. W. GOVE, retiring president of the P.T.A. of Travis Heights School; and MRS. JOHN C. BUTLER, Secretary-Treasurer, appeared, to keep alive their requests for paving around the school, and asking that the 1900-2000 Block of Alameda Drive be included in the paving program. The Director of Public Works stated the list was being made up now for the next program, and it was his understanding these two blocks were on the list. Councilman Thompson inquired about the procedure in the paving program. It was explained, and the City Manager stated the amount of paving now depended on the amount of bond money left after the right-of-way for the Interregional was obtained, and he thought within two months it would be known; and at that time he could submit the paving project to the Council. Councilman Thompson wondered if the construction of the Interregional Highway had slowed down the general paving throughout the City. Councilman Long did not think it had in the past; but on this part of the Highway it was the feeling of the Council to purchase the right-of-way and then spend what was left on paving. A general discussion was held on the new highway. It was stated this time, all the right-of-way would be completed from the river south to the San Antonio Highway; that the City would have to move some power and sewer lines.

Public Hearing was held at 10:30 on the Paving Program covering paving on Rosewood Avenue from the west property line of Bedford Street to the east property line of Webberville Road, Unit No. 1; and on Webberville Road from the south property line of Thompson Street to the north property line of Goodwin Avenue, Unit No. 2. The City Attorney explained the purpose of the hearing was to consider the assessment of part of the cost of paving Rosewood Avenue from Bedford Street to Webberville Road and Webberville Road from Thompson to Goodwin Avenue; that a notice of hearing was published in the American-Statesman on May 18th and 19th, 1953. MR. NOBLE LATSON explained the type of construction to consist of six inches of hot mix asphaltic concrete pavement upon a four inch flexible sub--base, and explained the method of financing it. MR. JOE CROW stated to the Council that the value of the property would be enhanced to an amount equal to the cost of putting in the paving; that he had examined this property and he was familiar with all of this area. No property owner appeared to be heard. The Mayor asked if there were any other parties present who desired to be heard on any matter in connection with the improvements under consideration, but there being no other persons who wished to be heard at such hearing, Councilman Pearson moved that the hearing be closed and that the City Attorney be instructed to prepare an Ordinance incorporating the findings of the City Council when made. The motion, seconded by Councilman White, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

Councilman Long inquired if paving increased the taxes on the property. The City Attorney stated that would depend entirely on the appraisals made in the tax department.

MR. JOE CROW made a statement that all subdivisions should be required to have proper paving and drainage before being opened; as it would stop reckless subdividing; and if this were required, it would be necessary to build houses, and this would increase the tax value, bring in more utility money, etc. Councilman Pearson stated it was his understanding a recommendation would be submitted to the Council, and he wanted to give it a lot of study.

FORMER SENATOR JOE HILL inquired if the taxpayers were paying for the paving around the Housing project. It was explained the Housing Authority, the Schools, and the few private property owners, and the City were paying for this paving, each respectively for their part.

Pursuant to published notice thereof, the Council publicly heard the following zoning applications:

C. B. SMITH (By W. Sale Lewis)	600-602 Canon Street	From "A" Residence To "D" Industrial NOT RECOMMENDED by the Planning Commission
W. P. WEBB, MRS. IRMA WRIGHT & A. B. BEDDOW, (By W. Sale Lewis)	604-06-08 Canon St.	From "A" Residence To "D" Industrial NOT RECOMMENDED by the Planning Commission
MRS. MAY FINKEL- STEIN (By Willard Finkelstein)	610-12 Canon St.	From "A" Residence To "D" Industrial NOT RECOMMENDED by the Planning Commission

The Council heard the above applications as one application. MR. W. SALE LEWIS, attorney for the applicants, stated the change of zoning was to extend the industrial zoning already in the neighborhood; that MR. I. A. EBAUGH wanted to build a new warehouse on Lot 14--not a warehouse in the sense there would be trucks coming and going, but more of a storage place. MR. ROBERT SNEED represented the opposition, and listed his clients, stating some duplications of names appeared on his list and on a petition of MR. EBAUGH. He filed a copy of deed restrictions applicable to all the lots. He asked the Council to protect these small home owners from the industrial zoning; and that the development of an industrial area here would mean channeling trucks right through this residential area. MR. P. E. McCullough, Mr. Derden Wofford, and Mrs. Dale Peterson, all home owners, spoke against the change. Mr. G. B. Knape felt it would be to the city's advantage to have this industrial zoning. Mrs. Richards, 612 Brentwood was opposed. MR. EBAUGH outlined what he wanted to build on Lot 14, and outlined the advantages of extending the switch lines of the Southern Pacific to this property. DR. PRESCOTT WEBB and Mr. A.B.BEDDOW spoke in favor of the change. Councilman Pearson suggested that the Council look at this property before making a final decision. Councilman Thompson moved that the Council look over this area and make a personal visit and take definite action next Thursday. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

ROY SCHNAUTZ

1407 West 5th Street

From "D" Industrial  
To "C-1" Commercial  
RECOMMENDED by the Planning  
Commission

MR. ROY SCHNAUTZ appeared in his own behalf. MRS. HELENA HARDCASTLE, 1501 West 6th, spoke in opposition. MR. BERNARD HYLFIN representing his sister, Mrs. Mabel Hyltin at 1501 West 5th Street, protested the "C-1" zoning change. DR. GEORGE LEGGETT, representing her mother, Mrs. George Felter, spoke in opposition. Councilman Long moved that the application NOT be granted as recommended by the Planning Commission. The motion, seconded by Councilman Thompson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The Mayor announced that the change had been DENIED.

The Mayor laid before the Council the ordinance prescribing rates and fares to be changed by the Austin Transit, Inc. Councilman Thompson moved that the ordinance be amended to require the Company to maintain a special reserve fund from which would be paid tort claims against the Company in an amount of \$25,000 to be paid in from one percent of the gross receipts until such sum was accumulated. The motion, seconded by Councilman White, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The Mayor then introduced the following ordinance as amended:

AN ORDINANCE PRESCRIBING RATES AND FARES TO BE CHARGED BY AUSTIN TRANSIT, INC.; REQUIRING AUSTIN TRANSIT, INC. TO FILE AN ANNUAL FINANCIAL REPORT AND MAINTAIN A RESERVE FUND FOR CLAIMS; REPEALING ALL ORDINANCES IN CONFLICT HEREWITH; AND DECLARING AN EMERGENCY.

The ordinance was read the first time, and Councilman White moved that the rule be suspended, and the ordinance passed to its second reading. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The ordinance was read the second time, and Councilman White moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The ordinance was read the third time, and Councilman White moved that it be finally passed. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The Mayor announced that the ordinance had been finally passed.

MRS. JOE B. RAMSEY, 5708 Joe Sayers, submitted a petition asking for construction of a proper drainage system in the area between the 5700 block of Woodrow Avenue, Joe Sayers Avenue and Arroyo Seca. The petition was signed by 65 residents. She displayed pictures showing the area during a flood. Councilman Thompson inquired if the development of the area surrounding this one had contributed to increasing the overflow of the drainage ditch in question, and had imposed an additional health hazard on the community here. The Director of Public Works explained that it had added to the problem, and the Department had made surveys of this, and it was necessary to obtain an easement over some property to deepen the ditch. The ditch had been dug by the subdivider, and the city had no easement over one particular piece of property. Councilman Thompson felt that if the development of the other property had caused an additional burden, it was up to the City to do something about it. Councilman Pearson asked if after the ditch were dug, would it then be necessary to put concrete pipe in, or would the people be satisfied with the deepening of the ditch. Mrs. Ramsey stated they would, and in addition wanted the city to keep the weeds cut in the ditch. The Councilman Long moved that the City Manager be instructed to proceed with the securing of the easement and report back in two weeks as to the progress. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

(Property that the easement is desired belongs to M.B.HARRIS)

The Council received notice from the City Manager that the following applications for change of zoning had been referred to the Plan Commission:

G. W. SEIDERS By Bruce K. Muir	3025 Guadalupe	From "C-1" Commercial To "C-2" Commercial
MR. ROGAN B. GILES	3717 East Avenue	From "A" Residence To "C" Commercial
TED WENDLANDT HENRY J. SASSIE	1301-05 Ft. View Rd. & 4300-06 Banister Lane	From "A" Residence To "C" Commercial
MRS. B.A.FRANKE By Grigsby & Tippitt	1207 Nueces Street	From "B" Residence To "C" Commercial

Councilman Long offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, Mrs. Mattie Taylor has made application in writing for permission to operate a nursing home (convalescent Home) complying with all City and State regulations on an unplatted lot 50x150, in the City of Austin, Travis County, Texas, being located on the northeast corner of South 1st and Clarke Streets and locally known as 3911 South 1st Street, which property is located in a "B" Residence District and under Section #5, Item #6 of the Zoning Ordinance requires a special permit from the City Council; and

WHEREAS, this application has been considered and approved by the City Council of the City of Austin, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT permission for the use and maintenance of the described property as a nursing home (convalescent home) be granted to Mrs. Mattie Taylor.

The motion, seconded by Councilman Pearson, carried by the following vote:  
Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

Councilman White offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, Southern Union Gas Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Southern Union Gas Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

It is recommended that Reed Sales Company be awarded the contract on passenger and truck tires and tubes and repairs for the twelve months period beginning June 1, 1953.

W. E. Seaholm  
City Manager"

Councilman Pearson moved that the low bid of REED SALES for tires and tubes be accepted and that the City Manager be authorized to enter into a contract with the REED SALES for one year beginning June 1st, 1953. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The Mayor brought up the appointment of the City Manager. Councilman Thompson moved that MR. W. E. SEAHOLM be reappointed City Manager. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Pearson, Thompson, Mayor McAden  
Noes: Councilmen Long and White, Councilman White making the following statement for the record:

"It was said two years ago that I tried to get rid of Mr. Seaholm. I would like to correct that statement at this time. At that time the Council was split two and two, and it seemed that I was the deciding vote. One of the Council members came to my office and asked me how I was going to vote. I said I had not decided. He said, 'If you are going to vote against Mr. Seaholm, I will ask him to resign.' I said that I had not given it any thought, but that I would. We did have our Executive Session. It was split. The Council called Mr. Seaholm in and asked him if he would carry out the policy of the Council, which he agreed that he would. I, being a new member on the Council, asked the Council to go along and I was ready to reappoint Mr. Seaholm and urged a unanimous vote, of which I believe it was. I quite agree with these new members in voting the way they do because they are new and they have to see for themselves. I have seen for two years; and at this time I am going to be compelled to vote "no".

The Mayor announced that MR. W. E. SEAHOLM had been reappointed City Manager by a three to two vote.

Councilman Long asked if the Council would like to accept the map redistricting the City's voting precincts, as work had already started in the County. She stated it would be necessary to draw an ordinance and present it to the Commissioners Court, and she thought MR. J.W.PATTERSON, JR., should have a copy of the map. She suggested that the City Attorney be asked to draw the ordinance; and in the meantime if there were any changes, they could be made. The Mayor suggested that Councilman Long, and the City Attorney meet with Mr. Patterson. Councilman Long moved that the City Manager have the ordinance drawn concerning the map as presented. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

The City Manager explained an interim power agreement with the L.C.R.A. and asked the Council to authorize him to enter into this agreement as he outlined. He explained the amount the Authority would pay per month for June, July and August for 12,000 kv of demand; and the amount they would pay in addition. Councilman White moved that the City Manager be authorized to proceed with the contract with the L.C.R.A. as he had explained to them with reference to the interim power agreement. The motion, seconded by Councilman Pearson, carried by the following vote:

Ayes: Councilmen Long, Pearson, Thompson, White, Mayor McAden  
Noes: None

There being no further business, the Council adjourned at 1:30 subject to the call of the Mayor.
